Oh, these?
I don't.

What is this?
A bento.
I made it along with breakfast.
Any-way,

Yeah.

Thank you for last night.
That's my thanks.

I didn't put anything weird in it, you know?
?

Have a safe trip!
..You know,
No problem
Never-mind Thanks
you shouldn't play around with girls too much.

Akio-kun
Roll

O-kay.

You're having bread?
Huh?

It's already noon Let's get some lunch

Then I guess I'll go alone today
Is that a bento?

This is my first time seeing you eat something other than rice
Yeah

Today's special is fried, so it's better to go out.
You think so?
Oh yeah, the pharmacy department s having a mixer tonight Are you going?
No, I'm not
You should talk to some girls once in a while
It's just a waste of time
No matter how much you love the plants,
they'll never reciprocate your feelings, you know?
What am I supposed to do while chattering pointlessly?
It's just a bunch of illogical small talk that yields no outcome
Complains
There's nothing dreamy, nor romantic, nor delicate about it
They only care about the outside, and there's nothing inside
Also, women just eat snacks and sweets and don t eat proper meals
Complains
I'm going to get some lunch
Okay, take care

T/N: THE CHARACTER 千 IN MICHIRU'S NAME CAN BE READ AS EITHER "SEN" OR "CHI."

I remember a kid called Michiru
When I was in kinder-garten,
しろくま書店
she tore my picture book on plants to shreds..
and made fun of my bento every day
She was a scary girl
It's rare for a guy to have a name like Michiru
Sempai!
Are you heading home?
Me too...
...Oh.

Oohashi Michiru!
Yup.
Oohashi, that's me
If you'd like, let's go home together
Oh, what? It's still evening out. You're going home already?
You're not staying out to play?
Well, you were the one who said...

What?
I haven't bought anything yet.
I said I'll take you home,
so wait for me at the entrance.
Then I'll wait for you out there!

That's troubling.
But-
Sorry, I'm gonna head off first.
This is holding back?!
At least give me your contact...
Bye!
Sure go ahead.
What should I make?
It was a casual passing kiss,
but...
Are you going straight home?
Can we stop by the supermarket?
Why?

Even though there are various kinds of people,
This guy and his partner look completely normal though.
Michiru-kun!
What's..?
his partner was a guy. Is he gay?
Will you be eating too?
can a guy even like a guy?
Sempai!
THUD

Don't worry I'm !

紀伊カンナ

presented by Kanna Kii

The story so far: University student Akio met Chisaki Ueno, an ordinary salaryman who lives in the same dorm as him. A few days later, he witnessed Ueno kissing another guy. Ueno had once had his sister's money. Michiro, for a one night stand with their mom. Because Ueno reminded Akio of her father, Akio, initially hated Ueno, but mysteriously Ueno and Akio...?

?
Look at that
Those two...
They're probably *together*.
CLACK

THUNK

Crunch

Crunch
It's because
even without sleeping with you, you still stay with me

...
Something wrong?

Sempai?

What sort of ideal is that? Not having to sleep with someone...

If I sleep with him...?
"That's enough for me."

If I'm nice...?
"I'm used to it, so don't worry."

Wouldn't that just be the same as not caring?
Is he okay with anyone?
What exactly does "kindness"
mean to him?

Is sempai there?
Ding Dong

You brought this on yourself!

What do you take others for?
Y-You're wrong
I've already stopped
What the hell?~

You've already got a guy.

He's not *my guy*.

I told you already
Not picking your partners is really strange

It's just that those kinds of people do exist
No, it's not.
Then don't call for help
Where both parties have this agreement
Like I said
You've got it wrong

I told you today
I don't do that,
and yet...
Is it that good?
Huh?
Doing it.
...

I'm not thinking of doing it with you.
Obvi-ously
I don't bat for that team
That's...
That's not it
I know that you hate yourself,
"Oh this?"
and because of him leaving you,
you do that so you won't forget him.
"It's the brand my dad used to smoke when I was little."
"Well, it's not like I remember."
I've never known that feeling

It's intriguing, being with you

Why are you saying this when it's convenient for you?
Love. Hate.

I probably love you, sempai.

Whether it be man or woman, I have
no interest

Clink
...Really?

And love is all the more annoying

Huh?
Clink
If you had no interest,
That's a lie.
and no compassion,
then you would have ignored me from the beginning
Because you know, sempai,

you hate me, don't you?
However, even when you find me annoying or trouble-some,
when I call out to you,
you will undoubtedly respond.

-And you,
with your sulky face on

I rather like this expression more.
instead of that silly smile...

Hm?
Sempai

——

I got it
I really do like you.
acho
Sempai!
Umi,
I said, "I got it."
Eat your food

...

A while back, mom called.
I met him too
He's a serious guy
